

Calf Feed

Available in 40lb and 1 ton

Purpose

Our Certified Organic Calf Feed is formulated with organic grains, kelp, and other minerals to support growth of calves while on pasture. With added probiotics to support gut health, this feed helps prevent digestive stress during weaning.

Feeding Instructions

Feed 1 to 1.5 pounds per 100 pounds of bodyweight per head per day to support growth and development. Feed as a supplement to good quality forage. This product pairs well with our free-choice Certified Organic Cattle Mineral.
