

Cattle Maintenance Feed

Available in 40lb, 1/2 ton, and 1 ton

Purpose

Our Certified Organic 14% Protein Cattle Feed is formulated to supplement general maintenance of cattle on pasture or hay. Made with organic grains, vitamins, and minerals, this feed contains added probiotics to improve digestive health.

Feeding Instructions

Feed 1 to 3 pounds per 100 pounds of bodyweight per head per day with good quality forage. Feeding rate may be adjusted as needed to suit general maintenance. This product pairs well with our free-choice Certified Organic Cattle Mineral.
