

Cattle, Goat, & Horse Mineral

Available in 40lb

Purpose

Fortified with Certified Organic Kelp, our Certified Organic CGH mineral helps boost overall animal performance as well as meat and milk production. Kelp is a nutrient dense product that supports hormone balance, lactation, and gestation, making this mineral ideal for mixed pasture operations.

Feeding Instructions

Offer free-choice to animals on pasture along with plenty of fresh water and good quality forage. Average intake should be 1/4 to 1/2 ounce per head per day depending on the mineral requirements of the animal.

GUARANTEED ANALYSIS
