

# Layer Crumble

Available in 35lb and 1 ton

## Purpose

Our Certified Organic Layer Crumble is a complete nutritional feed of milled grain that's supplemented with organic kelp, alfalfa, and Poultry Nutribalancer. Designed for adult laying hens, our layer feed is formulated with additional calcium for egg shell strength and organic flaxseed to increase the omega-3 content of the eggs.

## Feeding Instructions

Feed layer ration free choice from 16 weeks of age or first egg throughout the egg production cycle. Always provide plenty of fresh water. While this feed is balanced to meet average laying hen nutritional needs, we recommend providing free choice calcium shell to further support your flock's laying needs. Layer/Developer grit should also be provided free choice to help birds self-regulate their intake to best suit their individual needs and improve feed efficiency during digestion.

GUARANTEED ANALYSIS	
Crude protein, minimum	17.00 %
Lysine, minimum	0.90 %
Methionine, minimum	0.30 %
Crude fat, minimum	3.00 %
Crude fiber, maximum	6.00 %
Calcium, minimum	3.50 %
Calcium, maximum	4.50 %
Phosphorous	0.80 %
Salt, minimum	0.45 %
Salt, maximum	0.95 %
