

Goat Feed

Available in 40lb, 1/2 ton, and 1 ton

Purpose

Our Certified Organic 15% Protein feed for Goats is formulated to support growth, lactation, gestation, and general management of goats. Made exclusively with North American Organic Grains, this feed is balanced with probiotics, kelp, and other minerals to best meet your herd's needs.

Feeding Instructions

Feed 1 to 2 pounds per head per day for general maintenance and gestation diets. Feed 1 pound grain per 3 pounds milk production per day for lactating goats. Feed as a supplement to good quality forage. Feeding rate may be adjusted as needed for animal size, amount of production desired, and amount/quality of forage available.
