

# Sheep Feed

Available in 40lb, 1/2 ton, and 1 ton

## Purpose

Our Certified Organic Sheep feed is formulated to support meat, wool, and milk production. Made exclusively with North American Organic Grains, this feed is balanced with probiotics, kelp, and other minerals to boost wool and meat quality and best meet your flock's needs.

## Feeding Instructions

For lactating ewes, feed 1 to 3 pounds per head per day. For standard maintenance, feed 1 to 2 pounds per head per day. Feed along with good quality hay or pasture. For all stages of sheep.
