

Elite Competitor

Available in 40lb, 1/2 ton, and 1 ton

Purpose

Our Ultra Premium Elite Competitor Horse Feed is formulated with your hard working horse in mind. Specifically designed for horses under the stresses of competition and travel, it is a nutritious feed that builds hind gut health. This mashed feed is a gorgeous mixture of oats, peas, alfalfa pellets, sunflower meal, kelp, probiotics and other key nutrients. Recommended for horses needing higher energy, and protein, and healthy fats to maintain body condition or horses in any intensive work. This feed is soy-free, corn-free, and made exclusively with North American organic grains. As a certified organic product, it is made with no antibiotics, pesticides or additives and is also Non-GMO.

Feeding Instructions

Feed 0.4lb per 100lb of body weight for the maintenance of mature horses. Feed good quality hay at the rate of 1 to 2lb per 100lb body weight daily. Provide fresh, clean water at all times.
