

Rabbit Pellets

Available in 10lb, 25lb, 40lb, 1/2 ton and 1 ton

Purpose

Fortified with vitamins, minerals, and probiotics to boost digestive health, our beautiful rabbit pellets are a great boost to your bunny's diet. These pellets are designed to support growth, breeding, and general maintenance diets.

Feeding Instructions

As a maintenance ration, feed 1/8 cup per 5 pounds body weight per rabbit per day. Rabbit pellets should only comprise 10% of total diet. Provide plenty of clean, fresh water alongside fresh fruits and vegetables approved for rabbit diets. For young, growing rabbits feed free choice until 6 to 8 months old, then decrease to maintenance rate.
