

# Organic Olive Oil Layer

Available in 40lb, 1/2 ton, and 1 ton

## Purpose

The great nutrition you've enjoyed from our corn-free classic layer feed, now with the added benefits of olive oil. Our 17% Protein Organic Olive Oil Layer Feed is a complete nutritional feed of cracked and milled grain that's supplemented with kelp, organic alfalfa, and Poultry Nutri-Balancer. Designed for adult laying hens, our layer feed is formulated with additional calcium for egg shell strength. This is a low PUFA feed, with balanced vitamins, minerals, and protein. Made exclusively with non-GMO, North American Organic Grains.

## Feeding Instructions

Feed layer ration free choice from 16 weeks of age or first egg throughout the egg production cycle. Always provide plenty of fresh water. While this feed is balanced to meet average laying hen nutritional needs, we recommend providing free choice calcium shell to further support your flock's laying needs. Layer/Developer grit should also be provided free choice to help birds self-regulate their intake to best suit their individual needs and improve feed efficiency during digestion.

### GUARANTEED ANALYSIS

Crude protein, minimum	17.00 %
Lysine, minimum	0.90 %
Methionine, minimum	0.30 %
Crude fat, minimum	3.00 %
Crude fiber, maximum	6.00 %
Calcium, minimum	3.50 %
Calcium, maximum	4.50 %
Phosphorous	0.60 %
Salt, minimum	0.30 %
Salt, maximum	0.90 %

### TYPICAL ANALYSIS - not guaranteed

Potassium	0.70 %
Magnesium	0.15 %
Sulfur	0.17 %
Iron	96.0 ppm
Copper	7.0 ppm
Zinc	45.0 ppm
Manganese	31.0 ppm
