

Loyalty Senior Horse Pellets

Available in 40lb and 1 ton

Purpose

Senior pellets that are formulated for horses 15+ years of age doing light to moderate work. Our Certified Organic Loyalty Senior Horse Pellets are specially designed with senior horse digestion and needs in mind. It is a healthy, nutritious feed that builds hind gut health. Made with flax oil, which has been shown to help with coat, joint, and digestive health, as well as sweet itch. Loyalty Senior Horse Pellets are soy-free, corn-free and made exclusively with North American organic grains. As a certified organic product, it is made with no antibiotics, pesticides and additives and is also Non-GMO.

Feeding Instructions

Feed 0.5 lb per 100 lb of body weight when supplementing with high quality hay or pasture, or approximately 2% of total body weight when feeding as a complete feed. Best paired with our Kelp-Based Cattle, Goat, and Horse mineral for best results when not fed with high quality hay or fresh pasture. Provide fresh, clean water at all times.
