

Power Pellet® Grower/Broiler

Available in 40lb, 1/2 ton and 1 ton

Purpose

Our Certified Organic, Soy-Free Power Pellet Grower/Broiler is a complete nutritional feed of cracked and milled grain. This feed is supplemented with vitamins, minerals, and probiotics combined into one convenient pellet. This feed is designed for chicks age 5 weeks until slaughter weight or until egg laying age. Balanced vitamins, minerals, and protein helps support strong development of bones and feathers during accelerated growth stages.

Feeding Instructions

Feed free choice to chicks after 4 weeks of age. For pullets, begin feeding New Country Organics Soy-Free Layer Feed at 16 weeks of age. Always provide plenty of fresh water. Starter or Grower grit should also be provided free choice according to size to help birds self-regulate their intake to best suit their individual needs and improve feed efficiency during digestion.
